

RUGGED DEVICES FOR WORK. SMART SOLUTIONS FOR BUSINESS.

Kyocera helps businesses and government agencies lower the total cost of mobile device ownership with a customized technology ecosystem of rugged hardware, tailored solutions, business services, and specialized support backed by our Standard 2-Year Manufacturer's Warranty.

- ✓ Rugged Devices
- ✓ Specialized Accessories
- ✓ Value-Add Solutions
- = **Total Mobility Solution For Your Business**

RUGGED DEVICES

Kyocera's devices are built rugged from the inside out to withstand the harshest environments. Built with cutting-edge technology and features designed to function in life's most demanding moments, Kyocera devices are the backbone of our Total Solution offering for industries whose workforce endures environmental challenges every day.

- MIL-STD & IP68 Protection
- Devices Designed for Push-to-Talk (PTT)*
- Glove & Wet Touchscreen Operation
- Noise-Canceling Technology
- Durable Long-Lasting Batteries
- Non-Incendive, Class I, Div. 2, Hazardous Location Protection
- Programmable SOS/Emergency Button*
- Dual, Front-Facing Loudspeakers
- Programmable Keys
- Standard 2-Year Manufacturer's Warranty

**Requires 3rd party subscription*

Kyocera's rugged devices offer a lower total cost of ownership (TCO) than non-rugged devices by holding value for a far longer period of time than their non-rugged counterparts: they cost less in repairs and replacement, do not require expensive aftermarket cases, and, most importantly, work reliably in critical environments, ensuring that business moves forward without interruption.

KEEP YOUR BUSINESS ***MOVING***

Contact our Business Select team today and experience Kyocera's white-glove treatment developed purposefully for our valued business customers. Choose from our suite of services to keep your employees connected and focused on the task at hand.

ADVANCED REPLACEMENT

Eliminate downtime. Receive a replacement device before returning defective device. Choose overnight or 2-day delivery.

DEVICE CONTROL

The ideal mobile solution for businesses with small device pools where cloud-based device management is not required. The application provides control of device features without any monthly recurring charges.

CUSTOM PROVISIONING

Let us configure your devices to meet your business-specific requirements – device unlock, software re-flash, pre-load contacts, apps and restrictions.

CUSTOM REPAIR

Receive user-ready replacement devices through our comprehensive repair, refurbishment and provisioning services.

LIFECYCLE MANAGEMENT

Convenient and seamless device management from set-up to end-of-life recycling, distribution, upgrades, repair, and employee turnover device reset.

FIRST RESPONDERS

Dedicated toll-free number for qualified users, technical support and discounted fees for registered First Responders.
